Supplement Dictated by W. V. Harris #6714 on 08/19/12 at 0104 hrs.

Total Dictation Time = 3:43 mins.

On 08/18/12, a sobriety checkpoint deployment was conducted by the Pima County Sheriff's Department (PCSD) on the Veteran's Parkway overpass, just north of Ajo on Palo Verde Road.

The Driving Under the Influence (DUI) Unit supervisor, Sergeant J. C. Dowdy #1349 planned the operation and conducted an informational briefing for personnel participating in the deployment. The briefing took place at 1900 hours, at the Sheriff's Administration Building, in the Operations Center. It was delivered via Power Point.

Once all participating personnel were given their assignment and completed, signed and turned in their sobriety checkpoint briefing checklist, they travelled to the checkpoint location for set-up.

The Checkpoint became operational at approximately 2000 hours, and lasted until 2350 hours.

During this time, 2,336 vehicle passed through the sobriety checkpoint, 10 field sobriety tests (FST) were conducted resulting in six DUI arrests as well as four other arrests not related to DUI offenses.

This concludes my involvement.
